Experience

Greg's strength lies in his diverse professional background, having successfully led Manufacturing Operations, Commercial Business, Human Resources, and Leadership Development in multinational and global executive roles. His breadth of experience across different functions and industries underscores his versatility and deep understanding of complex business environments.

Throughout his career, Greg has been deeply committed to coaching, mentoring, and learning facilitation. He has worked extensively with both new and seasoned leaders, as well as high potentials, to enhance their leadership skills and drive their professional growth. His ability to connect with and develop leaders at all levels has been a significant asset in his roles.

He has facilitated a variety of topics such as: Development Dialogue, Critical Thinking Model, Design Thinking, Leading Teams, Leading Leaders, Resource Planning & Management, Gemba, Talent & Performance Assessment, Behavioral Based Interviewing, Crucial Conversations, Crisis Management, DEI, Negotiations, Labor Relations, Value Stream Mapping, Agile HR, Head Heart & Guts Leadership, Leader as Coach, Critical Capabilities & Critical Roles.

Greg's international experience is vast, having worked in various regions around the world. This global exposure has provided him with a unique perspective on cultural diversity and the complexities of leading in different environments. His ability to navigate and manage these differences effectively has been a key factor in his success as a global executive. Some of his clients and employers include Kearney, GAF Materials Corp., Truswal Systems, US Foodservice, Deutsche Post DHL, DHL Supply Chain, Unilever Four Acres, Steelcase Inc., OrangeBox, Viccarbe, Jeraisy Group, Drucker Forum, Holland Hellenic, EU Leonardo da Vinci Programme, Polyvision and IDEO.

During his spare time, Greg enjoys traveling with family and friends, experiencing the less trodden locations of Greece.
